GAMES | PUZZLES

2024 was an exciting year for Professor Puzzle.

We celebrated the business starting 25 years ago.

We also acquired Ginger Fox Games, our first acquisition.

Ginger Fox remains independent and both businesses have separate catalogues.

Looking forward to 2025, we can't wait to see the new Einstein Card Game sitting on shelves after the success of our Einstein Board Game in 2024.

The Myths & Legends range is particularly exciting following growing demand for us to go back to the company's roots and create more puzzle ranges.

Our display units have been best sellers in recent years, so three new displays go into the catalogue this year – Zodiac Jigsaws, Mini Jigsaw Library, and Mini Dice Games.

Escape from the Lost Temple and Little Dinosaurs are new to games, with more exciting additions to complete the newness.

We thank all our customers for their business past and present. It is very much appreciated.
