

## Middleweight Designer

Professor Puzzle Ltd designs and creates unique and diverse packaging for all the well known retailers, not only in the UK but around the world too. This is a truly unique opportunity to join our award winning, fast paced design studio based in Twickenham, London.

We are looking for a middleweight designer who wants a new creative challenge in the gifting industry. You must have previous packaging and artworking experience and be used to a fast paced design studio.

The ideal candidate will have a versatile portfolio full of exciting designs that stand out from the crowd and be able to seek out new trends. You must have a positive, can-do attitude and be hard working, efficient, punctual and driven.

Your key responsibilities will be;

- Creatively artwork style guides generated by you or other members
- Managing artwork needs for key customer accounts
- Identify key trends in the gift market
- Generate concepts through to final artwork
- Have a comprehensive understanding of the Adobe Suite is essential
- Come up with fresh, unique style guides
- Confidently present and discuss your design concepts and ideas in front of colleagues and clients
- Be able to work effectively in a fast paced team as well as individually

If you have the ability to illustrate this would be a great benefit.

If you would like your design work in most the retailers around the world, have a real passion for the design and gifting industy please send your CV, portfolio and covering letter to careers@professorpuzzle.com.
