

YOU ARE INVITED TO

SECRETS OF THE SILVER SCREEN

A MURDER MYSTERY GAME

Welcome to Secrets of the Silver Screen. Renowned actress and notorious diva Ruby Bloom is found poisoned in her dressing room during filming of her new movie. Accusations are being hurled at breakneck speed! With eight suspects on set and an ever-tangled web of secrets, lies and schemes, there's no shortage of motives for wanting Ruby gone.

Set in the Golden Age of Hollywood, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

— *Spencer Lowe* —

You're Ruby's husband, though you married less for love and more for the money, mansion and cars. You feel it's a fair exchange for your good looks and charm, both of which you use in order to get what you want. You're conceited but with good cause – you can't help it if women are drawn to you like flies!

SUGGESTED CLOTHING AND PROPS:

Being a kept man is hard work, so you want everyone around you to see the rewards it brings. Whether it's a gold watch, a jewelled pair of cufflinks or an expensive tie pin, you believe in wearing your wealth.

CHARACTER ACTIONS:

You're a shameless flirt – after all, a guy like you needs to keep their options open! So you like to dazzle women with a smouldering glance or a kiss on the hand.

CHARACTER RELATIONSHIPS:

You butt heads with Chuck, trying to establish who's alpha, and you're sick of Felicity making those goo-goo eyes at you. You enjoy turning your charm on Daisy and watching how flustered she gets.
