Welcome to Secrets of the Silver Screen. Renowned actress and notorious diva Ruby Bloom is found poisoned in her dressing room during filming of her new movie. Accusations are being hurled at breakneck speed! With eight suspects on set and an ever-tangled web of secrets, lies and schemes, there's no shortage of motives for wanting Ruby gone.

Set in the Golden Age of Hollywood, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

Jimmy King

You're Ruby's number one fan. You wouldn't call yourself obsessed exactly, just ... passionate. Ruby is your perfect woman, so you've done what any lovestruck guy would do – moved across the country to Hollywood so as to cross paths with your beloved. Maybe now Ruby will finally respond to your five-page love letters!

SUGGESTED CLOTHING AND PROPS:

You're on a mission to win over the love of your life, so you came dressed to impress. Your best suit is immaculate, your hair is slicked back and you have a bunch of freshly picked flowers in your hand.

CHARACTER ACTIONS:

Whenever talk turns to Ruby, you tend to stare dreamily into the distance. Your temper turns quickly if anything bad is said about her and you're not above sticking your fingers in your ears to block out the lies!

CHARACTER RELATIONSHIPS:

It's safe to say you don't particularly care for Spencer since you believe that you and Ruby make a much better match. Similarly, you dislike that Felicity girl for ever thinking she could compete with a beauty such as your darling Ruby.
