

YOU ARE INVITED TO

SECRETS OF THE SILVER SCREEN

A MURDER MYSTERY GAME

Welcome to Secrets of the Silver Screen. Renowned actress and notorious diva Ruby Bloom is found poisoned in her dressing room during filming of her new movie. Accusations are being hurled at breakneck speed! With eight suspects on set and an ever-tangled web of secrets, lies and schemes, there's no shortage of motives for wanting Ruby gone.

Set in the Golden Age of Hollywood, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

Felicity Darling

You're the hot new talent in town and you're here to become a star. On the surface, you're a diehard femme fatale who's not afraid to use her womanly charms to get what she wants. But the reality is that you're a far better actress than people realise.

SUGGESTED CLOTHING AND PROPS:

You use glamour as an armour, so don't be afraid to dress to the nines. Diamond earrings, fake fur and satin gloves are all weapons in your arsenal.

CHARACTER ACTIONS:

The whole world is your stage, so you never miss a chance to dramatise. You communicate with hand gestures just as much as with words, so be prepared to gesticulate.

CHARACTER RELATIONSHIPS:

You're having a secret, shall we say, rendezvous, with Spencer, so you're guilty of a lingering stare towards him every now and again.
