# SECRETS OF THE SILVER SCREEN

A MURDER MYSTERY GAME

Welcome to Secrets of the Silver Screen. Renowned actress and notorious diva Ruby Bloom is found poisoned in her dressing room during filming of her new movie. Accusations are being hurled at breakneck speed! With eight suspects on set and an ever-tangled web of secrets, lies and schemes, there's no shortage of motives for wanting Ruby gone.

Set in the Golden Age of Hollywood, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

## YOUR CHARACTER PROFILE

— *Jayne Madison* —

As Ruby's personal assistant, you have a unique insight into the gritty realities of her life. Ambitious, assertive and quick to take control of any situation, you have your sights set on becoming a studio executive one day.

### SUGGESTED CLOTHING AND PROPS:

Although you work in Hollywood, all that frou-frou glamour is not for you. You find that wearing a suit helps you get taken seriously in a stuffy boardroom full of men, so you favour a smart pair of slacks, a button-down shirt and a colourful silk scarf tied around your neck.

### CHARACTER ACTIONS:

You're used to tantrums and meltdowns, so nothing much fazes you. If someone starts to raise their voice, you're adept at plastering on your biggest smile and speaking firmly.

### CHARACTER RELATIONSHIPS:

You think Chuck epitomises all that's wrong with this chauvinistic industry and his cruel remarks don't amuse you. You respect Miranda's longevity in the industry, even if she can be callous at times.
