

YOU ARE INVITED TO

# SECRETS OF THE SILVER SCREEN

A MURDER MYSTERY GAME

Welcome to Secrets of the Silver Screen. Renowned actress and notorious diva Ruby Bloom is found poisoned in her dressing room during filming of her new movie. Accusations are being hurled at breakneck speed! With eight suspects on set and an ever-tangled web of secrets, lies and schemes, there's no shortage of motives for wanting Ruby gone.

Set in the Golden Age of Hollywood, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

## YOUR CHARACTER PROFILE

*Miranda Kelly*

You're one of the longest working actresses in Hollywood. You rose to fame as a young starlet in silent movies, but now you're stuck playing the frumpy, foolish roles that nobody else wants. You're elegant, refined and glamorously aloof and your private life is shrouded in mystery.

### SUGGESTED CLOTHING AND PROPS:

No matter what humiliating role you have, you always maintain a quiet dignity by ensuring your hair is impeccably styled, your pearls are polished and your red lipstick is perfectly in place. Your cigarette holder is part of your style and you always have it close at hand.

### CHARACTER ACTIONS:

Often sarcastic, you've also mastered the art of the perfect eye-roll. You take deep drags from your cigarette holder whenever you find your patience being tested.

### CHARACTER RELATIONSHIPS:

You think Felicity is a naïve fool for wanting to get involved in this industry. As someone who's seen it all in the world of movies and studio politics, you know that newbie Mr Norris is hiding something.
