

YOU ARE INVITED TO

SECRETS OF THE SILVER SCREEN

A MURDER MYSTERY GAME

Welcome to Secrets of the Silver Screen. Renowned actress and notorious diva Ruby Bloom is found poisoned in her dressing room during filming of her new movie. Accusations are being hurled at breakneck speed! With eight suspects on set and an ever-tangled web of secrets, lies and schemes, there's no shortage of motives for wanting Ruby gone.

Set in the Golden Age of Hollywood, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

— *Vincent Norris* —

It's always been your dream to live the high life and – having spent years as a struggling screenwriter – this movie was supposed to be your big break. You've found yourself in a rather sticky situation, though, and you're not known as someone who keeps their cool under pressure.

SUGGESTED CLOTHING AND PROPS:

You've barely managed to sleep a wink in the last few days, so your suit and tie are wrinkled and dishevelled and you have dark circles under your eyes. You have a newspaper close by so you can keep an eye on the latest horse racing updates.

CHARACTER ACTIONS:

Nervous and jittery, you keep looking over your shoulder and jump at any loud noises.

CHARACTER RELATIONSHIPS:

Under normal circumstances, you'd waste no time before slipping Felicity Darling your number or swapping lifestyle tips with Spencer Lowe. But you're too skittish to think straight and you're suspicious of everyone.
