----------------------	----------	-----------------------------	------------------------------

Welcome to the Saloon Stand-Off. A mysterious fortune teller has come to the small town of Ghost Creek and revealed a spine-chilling premonition. She foretells the imminent murder of Avery Rogers, a cattle baron and Ghost Creek's richest (and meanest) resident. There are six suspects and the clock is ticking. There's a tangled web of grudges, lies and secrets to unravel if Avery is to survive beyond sunset!

Set in the dusty, lawless lands of the Wild West, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and foil a murder plot before coffee is served?

WILLIAM HARGREAVES

You were one of the early settlers of Ghost Creek and you've seen the town change dramatically over the years. In your eyes, it's become nothing but a hotbed of depravity and, as a God-fearing man, you feel it's your duty to clean it up. It's time to stop turning the other cheek and stand up to those no-good sinners!

Suggested clothing and props: As the town's undertaker, you're always dressed for business in black trousers, a black waistcoat, a white shirt, a black ribbon tie and a top hat. You often have a tape measure draped around your neck, just in case you need to size someone up for a coffin.

Character actions: More than a few residents of Ghost Creek have been met with your withering, disapproving glare. You're known to clasp your hands together in prayer when you find yourself in a particularly testing situation.

Character relationships: In your eyes, there are no redeemable souls in this group of five people. You have no desire to be close to anyone here and you're not afraid to come across as judgemental.
