------------------	-----------------	-------------------------	--------------------------

Welcome to the Saloon Stand-Off. A mysterious fortune teller has come to the small town of Ghost Creek and revealed a spine-chilling premonition. She foretells the imminent murder of Avery Rogers, a cattle baron and Ghost Creek's richest (and meanest) resident. There are six suspects and the clock is ticking. There's a tangled web of grudges, lies and secrets to unravel if Avery is to survive beyond sunset!

Set in the dusty, lawless lands of the Wild West, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and foil a murder plot before coffee is served?

CLARA CASSIDY

You're one of Ghost Creek's most hot-headed residents and meaner than a two-headed snake! A former ranch owner, and the fastest sharpshooter in the state, you can shoot the cigarette out from between a man's lips at thirty paces. You're not one for philosophising, but you like to live your life by the words of Annie Oakley: "I ain't afraid to love a man, I ain't afraid to shoot him either."

Suggested clothing and props: A true cowgirl, you're not one for frilly, fancy clothes and you never go anywhere without your bandana, hat and holster. You're a keen drinker so make sure you have a shot glass to hand.

Character actions: You down shots like they're going out of style and you're not shy about refilling your own glass. You're prone to bursts of anger, so don't be afraid to slam your fist on the table and raise your voice!

Character relationships: You'd never admit it but you have a soft spot for Earl – he's the one who keeps the moonshine flowing for you, after all. You respect Lilly's no-nonsense attitude, and you enjoy antagonising William.
