---------------------	----------	-----------------------------	------------------------------

Welcome to the Saloon Stand-Off. A mysterious fortune teller has come to the small town of Ghost Creek and revealed a spine-chilling premonition. She foretells the imminent murder of Avery Rogers, a cattle baron and Ghost Creek's richest (and meanest) resident. There are six suspects and the clock is ticking. There's a tangled web of grudges, lies and secrets to unravel if Avery is to survive beyond sunset!

Set in the dusty, lawless lands of the Wild West, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and foil a murder plot before coffee is served?

LILLY HART

Young and beautiful, you're the Saloon Stand-Off's most popular dancer, and you've made a pretty comfortable life for yourself. Yet you yearn for glamour and adventure because Ghost Creek just isn't big enough for you. You have your sights set on brighter horizons and you're determined not to let anything stand in your way.

Suggested clothing: Elbow-length gloves, ruffles, lace, feathers, lipstick – anything eye-catching that might help you separate a man from his hard-earned dollars.

Character actions: A girl has to take care of herself, so you're often primping and preening – fixing your hair, reapplying your rouge and batting your eyelashes. People shouldn't underestimate you, though, because you're not afraid to muss up your hair and stand your ground when you need to!

Character relationships: Scarlett is far too helpless for your liking and you can't help but roll your eyes each time she feels a swoon coming on. You can spot a swindler a mile away, so you take everything Sawyer says with a pinch of salt.
